Fiscal Analysis

- ASSUMPTIONS:
1. This bill would allow the Department of Corrections to extend contracts with prerelease centers from 10 years to 20 years.

2. This bill aids the prerelease centers in gaining long term financing but results in no fiscal impact for DOC.

3. For information purposes, the current average prerelease per diem rate is \$45.53 for males and \$55.78 for females.
